

### **Gordon Bailey**      **£14.99** **Buttons & Fasteners**

Guide to the Identification and dating of buttons & Clothing fasteners from 500BC to AD1840

#### Main Description

Buttons are very much a part of our daily lives, but few people realise they have a history stretching back over 2,500 years with buttons being used in the late Bronze Age and the Celts using bronze cloak toggles even before the Roman Invasion of Britain in AD 43.
